## Local Attractions

### Plaza de Armas

This is the largest square in Guatemala City. In it, you can see some of the most notable buildings of the City, such as the National Palace, the Metropolitan Cathedral or the National Library. It is undoubtedly an ideal point to start touring the old town of Guatemala City.

### Shopping at the Handicraft Market

Without a doubt, the perfect place in Guatemala City to go shopping for fabrics, clothes, toys, souvenirs and traditional art. A show of color in the 50 shops of the market, all with typical crafts, artisan workshops and occasional exhibitions. In addition, you can take advantage of, and eat different dishes of Guatemalan cuisine right there.

### La Aurora Zoo

It is a zoological garden in Guatemala City. It is one of the largest gardens in the City and one of the most visited tourist destinations.

### Volcán de Pacaya Tour

If you are looking for adventure and unique experiences, this tour is for you. This volcano is the most active in Guatemala, with a height of 2,500 meters above the sea, the environment is made of humid forest and rocks. It has stunning views of the Laguna de Calderas and three other volcanoes: Agua, Fuego and Acatenango. This Volcano is easy accessible, so you don't need to be in a good shape to climb.
